Lori,

Well can you even believe that we are finally out of here.

Remember all the fun we had at Sayalsock, like on the Softball team and Basketball.

Remember all the parties that we went to, like at Hunts, Creek, Macks, Bucks, and Jori & Morgans.

Remember the time in the school parking lot when me, you, Nikki & Lisa were on are way in to the basketball game and the "hog" pulled me over for underage drinking. Thanks for helping me out to pay the fine.

Remember the 35 half kegs they were about great, theres more to come.

This summer were going to have a great time, playing Softball and going to all the parties.

Be cool about going Home drunk or your gonna ruine it for yourself.

Take Care and Keep out of trouble.

Love,
Marty

Hey Lori,

I'm gonna sign your yearbook befor I forget. You hace to still sign & mine though. Well where ~~did~~ shall I begin - when we started to party. Every weekend maybe but now it's every night. We had some real good or should I say great times. Hey, I'll look back on those damn parties, "pitchers for a keg" at Market hang-out, Joni + Morgans. We are going to work the yard to check it out now. I'll get back to you, okay? Sucks. Now it's on the fort. That's We still have good times. Never forget your at Liberty busted all those times by your parents and almost by the cops up all on the mountain. I'll never forget all the great concerts our senior year as Daryl Hall + John Oates (for), Chuck Davis, Cheap Trick, and Styx + Angel. Coming up to the Little River Band at Bloom. Hey I really don't know what more to say - I'll see ya alot. You've been a great friend and I know we'll always be. Love ya, Nikki

Stay out of Trouble.

Memories

"Music makes pictures
and often tells stories
All of it magic
and all of it true
And all of the pictures
and all of the stories
And all of the magic
the music is you . . ."

Like our memories,
music is an everlasting
part of our lives. We
hear it, we feel it, we
sing it, we play it, we
dance to it, we love by it . . .
But most of all, we live it . . .

Take a few moments to live
your memories through music . . .

dedication

As an educator, he's got a way of teaching that's strictly his own. As a coach, he displays a determination and winning spirit like that of no other. And as a person, he is an individual that is truly unique and special, as all that have come in contact with him clearly know. By dedicating our yearbook to him, we, the senior class of 1979, would like to thank Mr. David Reese for making our years at Loyalsock some of our best.

EXCHANGE STUDENTS

This year, the students at Loyalsock were given the opportunity to share their thoughts and customs with two exchange students from Mexico.

Beatriz Garcia is an exchange student from Monterrey, Mexico, where she is part of a family which includes an older sister and younger brother. She came to Loyalsock at the beginning of the school year and spent the first semester with the Sickler family and the second semester with the Dorner family. She was very impressed with the scenery and mountains in PA, and although she had seen it before, snow also fascinated her. Beatriz is very interested in art, and shares her talents here at 'Sock by illustrating the literary magazine. Although art is her favorite subject, she has no favorite teacher. Beatriz says that they all have made her visit very memorable and enjoyable.

Another Mexican exchange student, Myriam Noriega, comes from Hermosillo, Mexico. She has two brothers and two sisters, and like Beatriz, also enjoys art, particulary drawing. Myriam came to the United States in January and is staying with the Laedlein family for the remainder of the school year. Myriam says that she enjoys everything here — the school, the surroundings, and especially the people — but pointed Mr. Moffatt out as her favorite.

The 1979 Senior Class would like to thank Beatriz and Myriam for being a part of our memories, and wish them both the very best of luck.

I KNOW I'M
A BAD DAY

I drop something.

I spill my morning coffee.

No one shows up for my class.

GOING TO HAVE WHEN . . .

My car won't start.

I'm too tired to walk my dog.

Someone drops a card catalog.

Another hum-drum lunch!!

Disgusting!

If you can't bust'em, join 'em.

Out to lunch munch out.

OUT TO LUNCH

Lunch time . . . a glorious break from the monotonous humdrum life of classes. Everyone is running down the hall. But wait! They are running in opposite directions, some towards the cafeteria and others away from it. Where could they be going?

No one seemed to know. The student body was slightly puzzled, but this mysterious flow of cloaked figures has the administration baffled for months. In time, the mystery was solved. Yes, that's right. They were going out to lunch. (No offense to our cafeteria staff, please.)

YOUR OWN WAY

"You, you have your own special way, Of holding my hand, Don't ever let go. You, you have your own special way, of turning the world so it's facing The way that I'm going, Don't ever, Don't ever leave me."

In September, the members of the class of 1979 selected those who had their "own special way." The intent of the poll was to find the students who reflected a certain characteristic.

Your average Senior usually goes to the football game on Friday nights . . .

. . . then heads for the nearest party where he might hear a favorite song like "Paradise by the Dashboard Light" or "Three Times a Lady."

A typical Saturday night is spent watching "Saturday Night Live" . . .

. . . after blowing seven "big ones" on the movies to see a good movie like "Animal House."

A SENIOR'S WEEKEND

Pastimes: Partyin'
Going to sporting events

Rock Group: Bee Gees

A leisurely Sunday afternoon is spent listening to the American Top 40 on the radio to check the standings of our favorite groups, the "Bee Gees", and "Styx".

PHYSICS OLYMPICS

In the spring of 1978, the torch was lit, the flag was raised and the second annual Physics Olympics commenced under the direction of Mr. Physics himself, David Reese. The areas of competition encompassed both field and brain events such as; the slow bike race, penny snatching, bridge construction, and water balloon throwing. Each team consisted of three individuals studying physics. The two championship teams were Einstein's relatives and potential energy. Both teams were presented medals in honor of their success while participating in the olympics.

JUNIOR-SENIOR CLASS MUSICAL

The Apple Tree

On April 20, 21, and 22, 1978, the junior and senior classes, under the direction of Mr. Thomas Shellenberger, presented their annual musical, entitled *The Apple Tree.*

The Apple Tree, a trilogy by Jerry Book and Sheldon Harnick, consisted of three one-act plays. The first play, *The Diary of Adam and Eve,* told of the inevitable fate of the two lovers, appropriately played by Jeff Doran and Roxanne Criswell. John Major also exhibited an outstanding performance in his portrayal of the snake.

I'll tell you a tale.

The second play, *The Lady or the Tiger,* was the story of Captain Sanjar, who was forced to choose between two doors to determine his punishment for loving the king's daughter, Princess Barbara. Kim Roller and Jim Bell had the starring roles.

The last play, *Passionella,* starred Lynn Neufer as a modern-day Cinderella, who finally found her Prince Charming, played by Mike Golden, Tom Logue narrated the play.

Many hours of hard work by cast members, Mr. Shellenberger, and numerous others made the play a huge success.

What would you like to do tonight?

You bring out the animal in me.

You're correcting me?!?!

Who is this ravishing sight?

I just don't know what to say.

THE GRAND ILLUSION

"Welcome to the Grand Illusion
Come on in and see what's happening
Pay the price get your tickets
for the show

The stage is set, the band
starts playing
Suddenly your heart is pounding
Wishing secretly you were a star

But don't be fooled by the radio
The T.V. or the magazines
They'll show you photographs
Of how your life should be
But they're just someone
else's fantasy

So if you think your life is
complete confusion
Cause you never win the game
(cause your neighbors got it made)
Just remember that it's a Grand Illusion
And deep inside we're all the same

America spells competition
Join us in our blind ambition
Get yourself a brand new
motor car

But someday soon we'll stop to ponder
What on earth's this spell
we're under
We made the grade and still we wonder
Who the hell we are!"

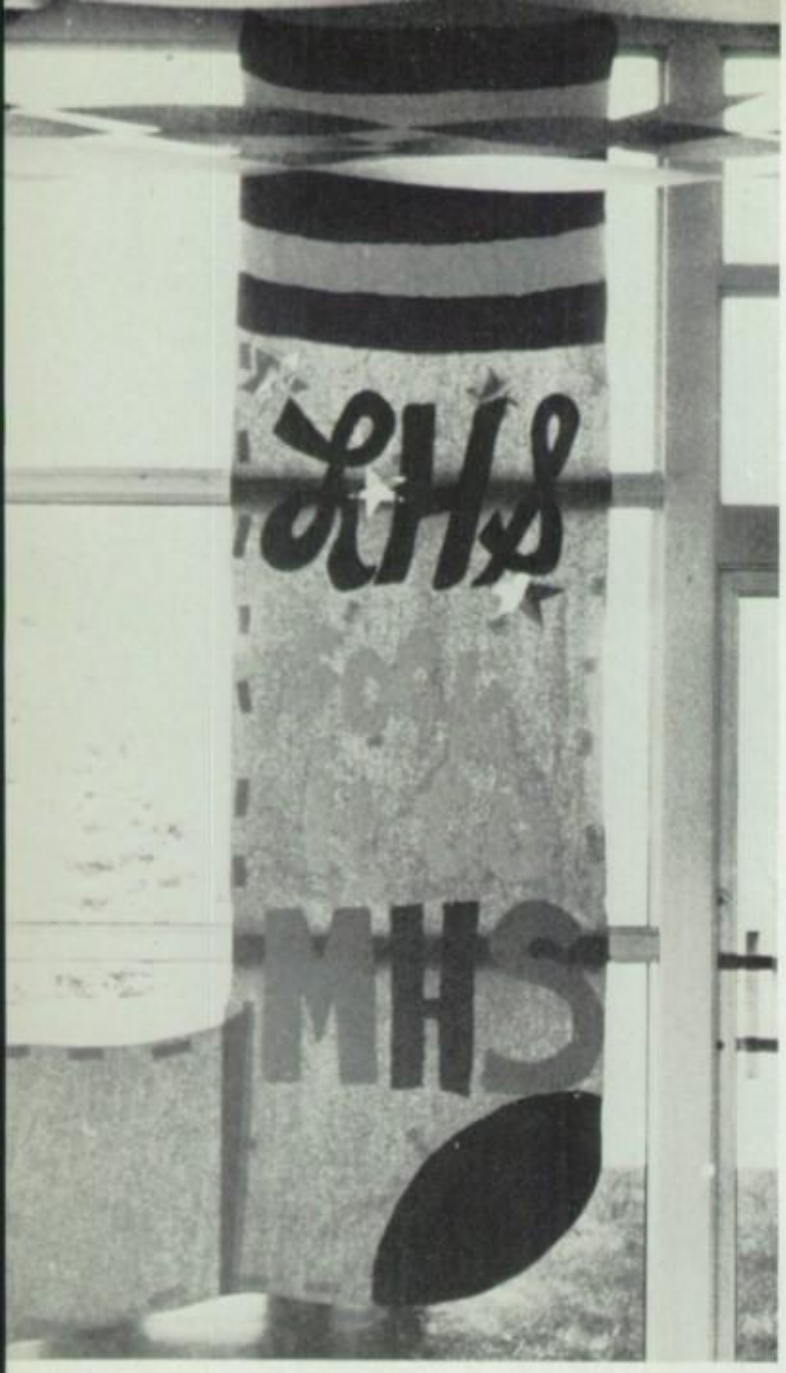
JUNIOR-SENIOR PROM

The theme forr the 1978 prom was based on Styx's hit album, "The Grand Illusion." The cover of the album was used for the main decorations. A maze was constructed as an entranceway into the prom, and was highlighted by a series of strobe lights.

A magician and his assistant put on an act during the prom, and the band kept everybody dancin' before and after the performance.

Tammy Mayer was selected prom queen. She was crowned by prom co-chairperson, Nancy Stover.

The prom was a success, thanks to all who gave their time and effort. A special thanks goes to our advisor, Mr. DiMarco.



If the Sock fits, wear it.

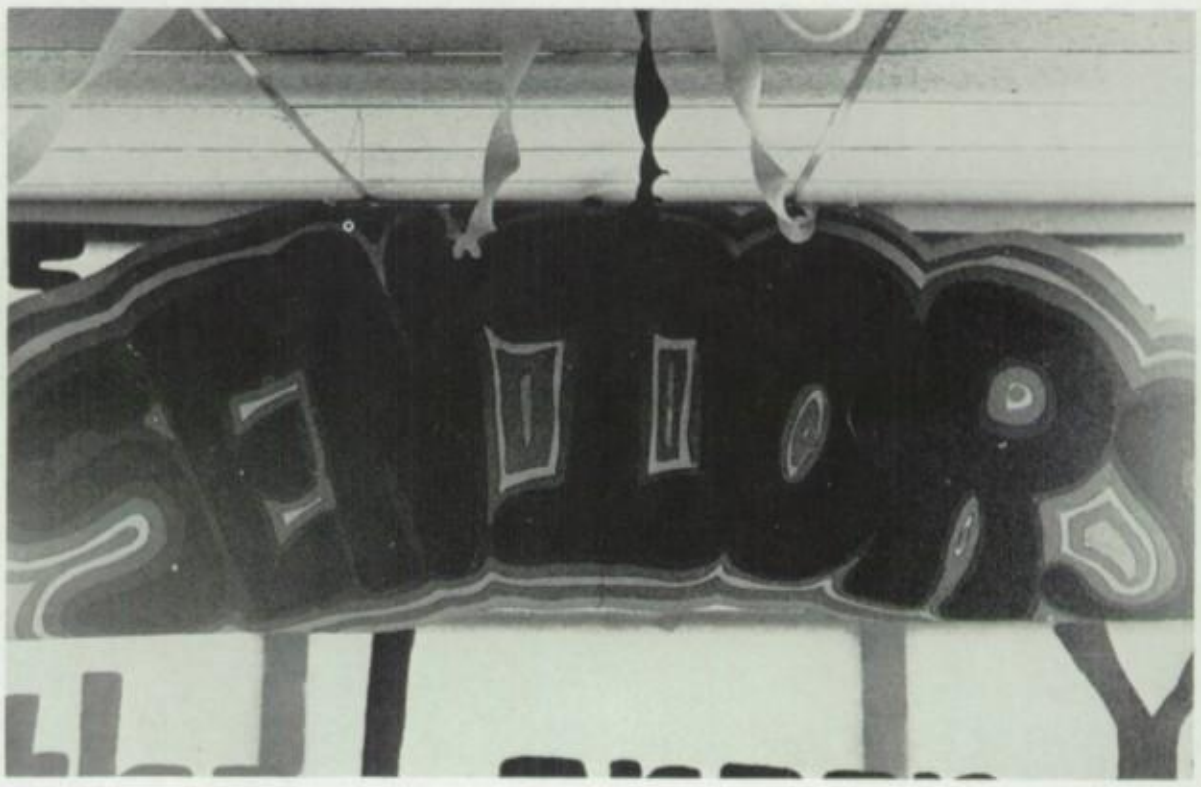
This year's Spirit Week was held during the week of November 6. Sophomores, Juniors and Seniors worked hard all week to boost the football players spirits for the big game on November 10.

The big game came. The halls were filled with streamers and the echo of cheering voices could be heard everywhere.

Every class had original decorations and an equal amount of spirit but the SENIORS proved the dominant class.

The day ended on a disappointing note. Although we tried our hardest Montour, was victorious.

"Take a toke, Kevin!"



. . . and don't forget it!

How droll

On December 29, 1978, the mood was festive and the Genetti-Lycoming Hotel provided an excellent setting for the annual Homecoming dance sponsored by the Senior class. Many graduates as well as seniors seemed to have a good time, and the sounds of Tamarak were enjoyed by all.

The Homecoming court consisted of Lynne Norton, Jenny Reed, Cindy Slavin, Fran Silvagni, and Kay Steiger. Fran Silvagni was chosen queen of the very successful and enjoyable evening.

Lori,

Well we finally made it! We've had lots of good times from tree forts, to parties with Willy, Jimmy, Rick, Rick, etc... to partying with John, Jeff & Paul. All the times down at the station. We can't forget your flying with Gerard & Dave & what ever happened to Pam & Jim. But that's what happens when you get married & never even thought of me anymore. Look what happened to me in the future. So that you can move out of the house. Good luck with finding a job & I hope we can get together this summer.
